Dear Mr. Pearson,

I would like to take this opportunity thank you and accept your kind offer to allow us to use your Jaguar E-Type (registration 298 HYR) to display on our stand at the Bread and Butter Barcelona fashion show next week.

After bringing the car back to London we would appreciate it greatly if you would allow us to keep the car in our clothing showroom on display. The car strongly resembles the style and essence of our clothing designs.

We will of course take great care of it and will return the car to you whenever you request.

Rest assured that it will be looked after at all times, locked inside our showroom on Latimer Road, although you may wish to inform your insurers of its whereabouts.

Thank you again,

Kind regards,

Maximillion Cooper
