Dear Sir,

Further to your letter dated 10th January 1976 requesting written quotation for the regrounding of a Jaguar 3,8 crankshaft with bearings.

Our price to date is £47.30 + VAT but we must inform you that this figure is liable to alteration as we understand the cost of bearings is to be increased by the manufacturers.

Will you therefore please request the latest price when you bring in the crankshaft for regrounding.

Yours faithfully,
